QUE TODOS SIGNIFIQUE TODOS
may everyone really mean everyone
“...landscape, long, which helps to show a horizon, and that is the idea: that extremes are perceived, the inclusion and exclusion. I like that one has to move their head to see the entire poster.

...I have also tried to include all sorts of strange characters from literature as well as from legends and oral stories ”

IBBY MÉXICO
ABOUT THE LOGO

Our image proposal shows the interaction of all official languages from countries in which IBBY has a section. We thereby seek that all Conference participants identify themselves within the logo, that they all be included; that everyone really mean EVERYONE!
